---

### Brief Biography:

**REZA GHANEI GHESHLAGH** obtained his B.Sc. in Nursing from Hamadan University of Medical Science, Iran in 2005, followed by an M.Sc. in Critical Care Nursing from Urmia University of Medical Science, Iran in 2011. He successfully completed his Ph.D. in Nursing at the University of Social Welfare and Rehabilitation, Tehran, Iran in 2016. He gained extensive professional experience at Saghez Imam Khomeini Hospital, Kurdistan, Iran, where he served from April 2005 to October 2011. Currently, he is a dedicated member of the Department of Nursing, Kurdistan University of Medical Science, Sanandaj, Iran. Dr. Ghanei Geshlagh's academic and research interests primarily revolve around scale development and systematic review. He has published more than 50 articles on systematic review and meta-analysis and is a reviewer for more than 60 international journals. In 2022 and 2023, he was selected as one of the top 2% of the world's most cited researchers."

---

### Education: (up to 2015)

**1.**

|                         |  |
|-------------------------|--|
| Qualification:          | <b>Ph.D. Degree (2013-2017)</b>  |
| Major:                  | Nursing  |
| Institution/College:    | University of Social Welfare and Rehabilitation Science, Iran  |
| Status:                 | Graduated  |
| <b>Title of Thesis:</b> | Design and Psychometrics Evaluation of Resilience Tools for Patients with Cardiovascular and Respiratory |

|                         |  |
|-------------------------|--|
| <b>2.</b>               |  |
| Qualification:          | <b>M.Sc. Degree (2008-2011)</b>  |
| Major:                  | Critical care nursing  |
| Institution/College:    | Urmia University of Medical Science, Iran  |
| GPA:                    | 16.48 out of 20  |
| <b>Title of Thesis:</b> | A study on correlation between restless legs syndrome and sleep disorder among patients in critical care units |
| <b>3.</b>               |  |
| Qualification:          | <b>B.Sc. Degree (2001-2005)</b>  |
| Major:                  | Nursing  |
| Institution/College:    | Hamadan University of Medical Science, Iran  |
| GPA:                    | 13.84 out of 20  |

### **Positions:**

- ✚ Assistant professor in Nursing, Department of Nursing, Faculty of Nursing and Midwifery, Kurdistan University of Medical Science, Sanandaj, Iran

### **Research Interests:**

Chronic disease  
Systematic review and meta-analysis  
Scale development

### **Key Skills:**

**Computer:** MS Word; MS Excel, and PowerPoint  
**Statistical software:** SPSS, AMOS, STATA, and CMA

### **Scientific Publications (ISI-SCOPUS-PubMed Indexed Journals):**

### Academic Award

-  Top 2% of the world's most highly cited researchers in 2023.
-  Top 2% of the world's most highly cited researchers in 2022.
-  Top researcher of the Nursing Department at Kurdistan University of Medical Science in 2022.

- ✚ Top researcher in terms of maximum international collaboration at Kurdistan University of Medical Science in 2021.
- ✚ Top researcher of the Nursing Department at Kurdistan University of Medical Science in 2020.
- ✚ Top researcher in terms of highest scientific growth at Kurdistan University of Medical Science in 2019.
- ✚ Top researcher of the Nursing Department at Kurdistan University of Medical Science in 2018.
- ✚ Top researcher of the Nursing Department at Kurdistan University of Medical Science in 2017.
